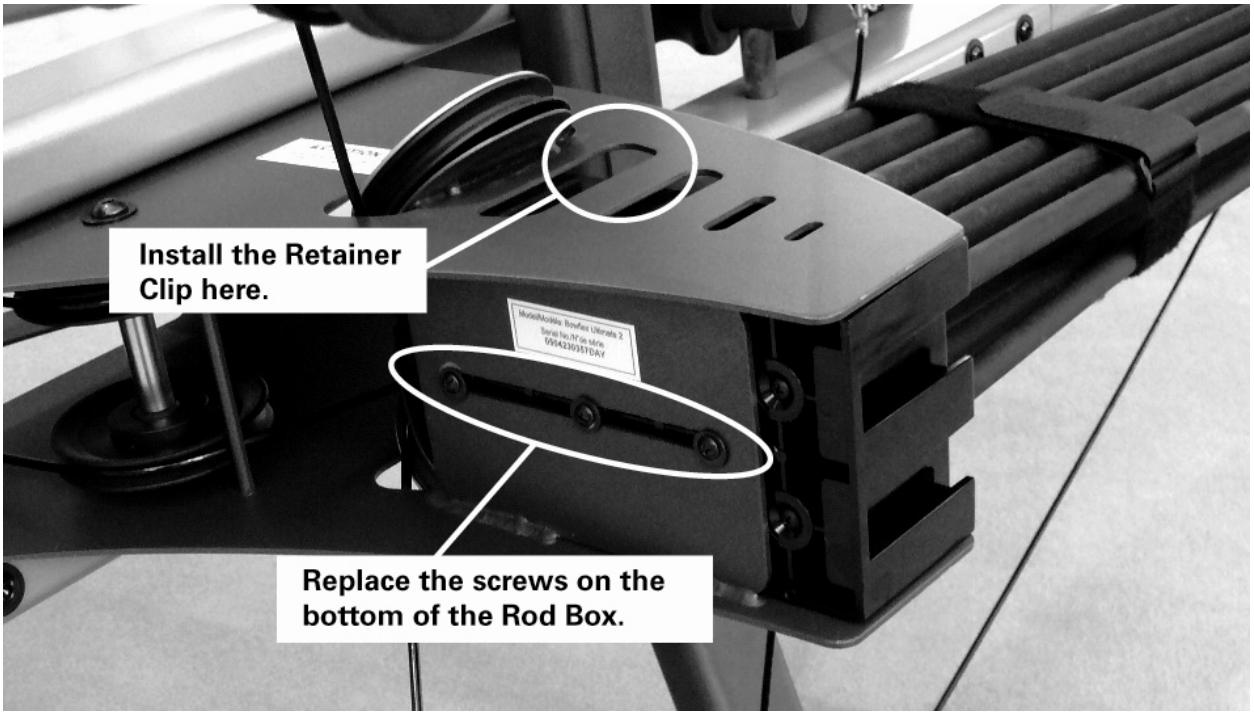
IMPORTANT SAFETY NOTICE

Dear Valued Customer:

In the interest of your safety, Nautilus, Inc. has decided to conduct a recall to repair the Ultimate 2 home gym, in cooperation with the U.S. Consumer Product Safety Commission. The fasteners used to attach the rod box at the base of the frame may work loose, allowing a rod or the rod box to move or separate and strike a user or bystander.

We have enclosed a repair kit including new fastener screws and retainer clips. This kit is easy to install without special tools. We urge you to install this kit immediately, and to stop using the rods until you do so.


We regret this inconvenience, but we are concerned for your safety and we stand by our products. If you have any questions, please call us at 800-259-9019 between 8 am and 5 pm Pacific Time, Monday through Friday, or visit our website at www.bowflex.com.
